### A bit about me:

I hold a degree in **advertising design** and boast extensive experience in the graphic design industry. My professional attributes encompass **responsibility**, perfectionism, **speed**, and creativity, coupled with a keen **aesthetic sense**.

I excel in time management, being an **autodidact** who quickly grasps new concepts and performs exceptionally well, both **independently** and within a team. I am **persistent** and resilient, actively seeking out **new challenges** with a **positive approach**. Handling the diverse and unexpected is one of my strengths.

Moreover, I possess a **good sense of humor** and a **strong work ethic**—two crucial values that enable me to thrive even in **high-pressure work**.

### Education

Bachelor's Degree in Advertising Design, Mexico City

### Tools (PC / MAC)

In Design • PhotoShop • Illustrator • Wordpress / Elementor • Figma • After effects (basic) • OFFICE

- Second place in **black and white photography**, Mexico, 1997.

### Languages

Spanish (mother tongue), Hebrew, English

### Freelance Experience:

Since completing my studies, I have been thriving as a successful freelancer, collaborating with clients both in Israel and internationally. My extensive portfolio includes various design projects such as logos, branding, editorial design, printed materials, invitations, web pages, landing pages, social media posts, and other related design solutions.

In each project, I have showcased versatility and creativity, consistently delivering high-quality designs that exceed client expectations..
